Axia 2.5 Netweave

BMA Axia 2.5 is voorzien van een netweave rug met bekkensteun. De netweave stof is verkrijgbaar in zes verschillende kleuren, geïnspireerd op diepe bossen, weidse velden, bloemen en steen. Het gebruik van kleuren die in de leefomgeving voorkomen creëert een moderne en luxueuze designuitstraling in combinatie met stofferingsopties uit onze Standaard, Extended of Curated stoffencollecties.
